

CJ WIGGINS

Coach of Blueprint2prosperity

CJ Wiggins is a dynamic international entrepreneur, author, and estate success coach with over a decade of experience across business management, entertainment, real estate investment, and strategic consulting. He is the founder of Hawaii Tax Wealth Solutions LLC, where he provides high-level tax strategies, financial planning, and business coaching for entrepreneurs, entertainers, and athletes.

CJ holds a certificate in the Psychology of Leadership from Cornell University, equipping him with a unique blend of financial expertise and human insight. A former investor in the boxing industry, CJ has collaborated with legendary figures like Iron Mike Tyson, merging his passions for sports, finance, and personal growth.

Through Blueprint2Prosperity, CJ helps clients move beyond survival and into strategic legacy-building. His mission is to reshape how people think and feel about money—guiding them to align their mindset with abundance, clarity, and generational purpose
